The day started with a warm gathering where colleagues tied rakhis on each other's wrists, symbolizing our commitment to support and protect one another. It was heartwarming to see everyone participating and sharing stories about their own traditions.

This past week, we embraced the spirit of Raksha Bandhan, a beautiful festival celebrating the bond between siblings. Our team came together to honor this special occasion, filled with joy, and lots of sweets!

Abhisek Agarwala
(Proprietor)

NPEC is more than just a company to me; it's a passion project that I co-founded with my brother, Animesh Agarwala. Together, we've poured our hearts into building this organization, and it's been an incredible journey, thanks to the dedication of our entire team.

Motivational Message: "As we look ahead, let's stay focused on our shared goals and keep working together. Every single contribution matters, and it's through our teamwork that we can achieve amazing things. Together, we'll continue to strengthen NPEC's place as a leader in our industry!"

Manab Das
(Senior Accountant)

I can't believe it's been 9.5 years since I joined NPEC! My experience here has truly been exceptional, especially when I think about my time at other companies. The positive work environment really makes a difference, and I'm grateful to be part of a team that feels like family.

I just wanted to suggest something that's really resonated with me: focusing on our work and believing in its significance can lead to incredible personal and professional growth. It's been amazing to see how much we can achieve when we truly put our hearts into what we do. I encourage you to embrace this mindset—you might be surprised by what you can accomplish! Keep pushing forward!
